Felician Village

Take part in an exercise class, meet a friend at The Bistro, work out in the fitness center, or pick up a book from the library.

### ■ Life enriching opportunities

The Gardens at Felician Village has many options to offer, and you have the choice to do it all or pick and choose what fits your lifestyle... from spiritual, physical, intellectual and emotional opportunities. Join us for bowling, book club, Tai Chi, bus trips, games, parties and volunteering. You can pick up a new thriller from the library or send an email to your grandchildren.

The Glab Lounge is perfect for watching a football game on the large screen TV, enjoying scheduled social events or taking advantage of “Happy Hour” and the dance floor for birthday and anniversary parties.

Arts and crafts projects, Bingo, movies, shopping and day trips mean plenty of chances to socialize.

Pastoral support for all faiths is a major part of the Felician Sisters’ tradition. Our campus continues that tradition with daily Mass, rosary devotion and a prayer room.

### ■ Maintenance-free living

At The Gardens, you can enjoy all the comforts of home without the inconveniences. No more lawn mowing, painting, leaf raking or snow shoveling. Even garbage removal and recycling are included.

Likewise, appliance breakdown and warranty red tape are things of the past – all homes come with a refrigerator, stove, microwave, washer and dryer maintained by The Gardens staff.

We even offer a full-service salon with massage therapy and a market place to buy convenience items.

Heated underground parking means you’ll never have to worry about trudging through snow or rain or scraping ice off the windshield.

### ■ Dining services

Enjoy a delicious meal served restaurant style in the Wisconsin Room every day, with specials including chef-carved entrees and festive Sunday brunches. Light snacks or full

meals are also available in The Bistro and Village Café throughout the day.

### ■ Apartment or duplex?

At The Gardens, you have a choice of an apartment or duplex. Both offer one, two or three bedroom options to accommodate overnight guests or set up a home office or study. The open concept floor plan allows for entertaining in your own home.

Each apartment and duplex features a private patio (ground floor) or balcony (second floor) for a view of the peaceful grounds or interior courtyard.

### ■ Security and assurance

Think about the possibilities and feel the weight lifted. A sense of security, new friends, maintenance free living, prepared meals, an active lifestyle...these advantages are enough to make our community your home. Come see the difference for yourself. Come home to The Gardens.
