Moonwalking Into Felician Village

Friday, September 18th was a Thriller of a morning as MJ The Illusion stopped by Felician Village before heading to the Capitol Civic Centre that evening. Residents and staff enjoyed a fun visit with the Michael Jackson tribute artist, complete with plenty of smiles, photos and a little moonwalking magic. It was a memorable morning filled with music, laughter and some unforgettable moves!

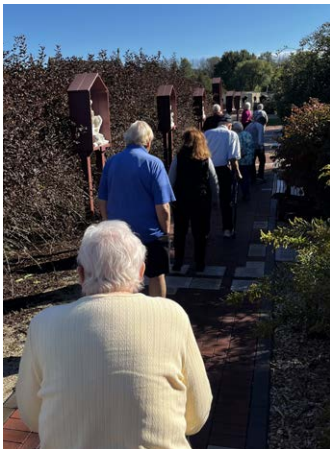
A Day to Reflect, Pray & Connect

Gardens residents enjoyed a beautiful fall day visiting the National Shrine of Our Lady of Champion and Curran Spirituality Center.
After watching a video about the history of Champion, residents ventured out onto the grounds to take in the peaceful surroundings and spend time in prayer.
A beautiful day to pause, reflect and enjoy the gift of faith, nature and community.



Jack Cashman, a well-known and seasoned attorney with Salutz Law, enjoys working with individuals and couples on their estate plans.
He regularly brings up the opportunity to include charitable giving in their estate plans. For people who have the capacity and desire to give (especially after children are raised) Jack invites them to consider giving retirement funds that may be taxable, as "Charity" receives the gift tax-free.

We will be having a special celebration to thank our veterans. Special invitations to come.
