Wedding Season Reminiscence

With the wedding season upon us, The Court residents recently spent time reminiscing about their own wedding days, enjoying a champagne toast, sharing cherished memories, and offering heart-felt marriage advice to bride-to-be Zoe.

From stories of a wedding dress starting on fire, two bands being booked at the same venue, twin sisters wearing the same dress and their mom making it into doll clothes to words of wisdom gathered over decades of love, it was a special afternoon filled with laughter, memories, and well wishes for Zoe as she prepares to say "I do."

Gardening at The Court

Court residents took a bus trip to Hartman's Towne & Country Greenhouse then got their hands dirty and their creativity blooming as they planted flowers together! We can't wait to watch these flowers grow throughout the summer.

Mission Message

When I think of celebrating the 4th of July, my thoughts always turn to the blessings of freedom that our country offers. We have protections that were carefully thought out by the founders of the nation. We also have moral responsibilities that go along with our freedoms.

Luke 12:48 tells us, "Much will be demanded of a person to whom much has been given, and even more will be asked of a person to whom more has been entrusted." It's important to consider what we are doing with our gift of freedom. This expectation is also summarized in Spiderman comics and films in the words: "With great power comes great responsibility." I love when popular culture and scripture coincide! Catholic Social Teaching includes a theme that connects with this subject: Rights and Responsibilities. When we seek to respect the human dignity of others, human rights must be protected and responsibilities for the care of others, both those close to us and the larger society around us, must be taken seriously. We are conducting a school supplies drive with KAN Cool for School this month. It's one of the many ways we can take responsibility for the care of those around us. The items we collect will provide supplies for children in need. If anyone is interested in helping out, here is a list of the items:

- Backpacks
- Calculators (scientific and regular)
- Colored pencils
- Composition notebooks
- Hand sanitizer wipes
- Glue bottles
- Highlighters
- Pencil pouches
- Post it notes
- Scissors
- Supply boxes
- Washable markers
- Watercolor paints
- Black Dry Erase Markers

If you want to contribute to the drive, there will be boxes outside the Blessed Angela Chapel from 7/20- 8/7. Enjoy your celebrations of freedom this month!

A Wheelie Great Afternoon

Thank you to everyone who brought their beautiful vehicles and to all the spectators who joined us. Beautiful weather, great music, delicious food, and wonderful company made for an unforgettable afternoon. Congratulations to Wayne on winning the Audience Fan Favorite Car Award for his 1955 Chevrolet Bel Air 1955! A special shout out to Shoreline Hometown Credit Union for once again sponsoring this fantastic event.

FV employee and Manitowoc Lincoln High School senior, Macen, who coordinated a visit from students to perform for our residents! The highlight came when student leaders stepped aside and handed the baton to our residents, giving them the chance to become conductors themselves.
