Moonwalking Into Felician Village

Friday, September 18th was a Thriller of a morning as MJ The Illusion stopped by Felician Village before heading to the Capitol Civic Centre that evening. Residents and staff enjoyed a fun visit with the Michael Jackson tribute artist, complete with plenty of smiles, photos and a little moonwalking magic. It was a memorable morning filled with music, laughter and some unforgettable moves!

The Court residents tried something NEW... and they totally nailed it!

They took aim and gave axe throwing a shot. A little friendly competition, plenty of bullseyes and lots of fun trying something new together!

A Cheesy Adventure... The Villa Curd Crawl!

Three restaurants. Three delicious cheese curds. One very important question: Which curd is the best?! Our taste testers sampled curds from A&W, Culver's and Late's, then rated their favorites. And, of course, no Curd Crawl would be complete without a little chocolate milkshake to cleanse the palate between tastings!
