Coming Soon: The Commons

The Felician Village Board of Directors have officially approved plans for a new 20-bed assisted living unit, The Commons at Felician Village, further expanding its commitment to meeting the evolving needs of older adults in the Manitowoc area.

The Commons at Felician Village will be a state-licensed Community-Based Residential Facility (CBRF) and will be developed through the transformation of the organization's former Next Step Rehabilitation unit. This strategic shift reflects both the growing demand for high-quality assisted living services and the continued evolution of senior care, where more individuals are seeking supportive, residential-style environments rather than traditional skilled nursing care. As part of the renovation, a movie theater and art studio will also be constructed in current office space in the Village Square. These amenities will be available to all Felician Village residents.

"The decision to move forward with The Commons represents an important step in aligning our life plan campus with the needs of today's aging adults," said Luke Schubert, President/CEO.

"We are seeing a clear progression in how care is delivered, with greater emphasis on assisted living options that promote independence and quality of life."

While this transition repurposes the existing rehabilitation space, Felician Village will continue to offer short-term rehabilitation services within St. Mary's Nursing Home, ensuring that individuals in the community still have access to the post-acute care and therapy services they require.

The Commons at Felician Village is tentatively scheduled to open in Fall 2026 and will provide residents with a welcoming community environment rooted in Felician Village's longstanding mission and core values.

Community members are encouraged to follow progress updates and learn more about the project by visiting felicianvillage.org and following Felician Village on social media.

Hearts Across America

🇺🇸 Celebrating our country's 250th Anniversary 🇺🇸

The residents of Felician Village are excited to participate in a nationwide opportunity.

Our Goal

Collect a postcard or card from all 50 states!
As cards arrive, residents will place a pin on a U.S. map to track where each one came from.

How Can You Help?

1. Send a postcard of your state to the residents of Felician Village.
2. Ask your family and friends in other states to do the same.

Spread the Love of our country!

Share our Hearts Across America goal on social media to help us reach all 50 states!

Thank you for the support!

Please Mail Cards To:
