*This Thanksgiving, we're grateful
for the people who make our
community a home.*

As the golden leaves fall and the air grows crisp, we're reminded of the many things that make life special, especially the connections we share with others.

This Thanksgiving, Felician Village is grateful for you! Whether you join us for activities, enjoy a little help around the house, or take advantage of services that help you live life your way, you are an important part of our community.

We're thankful for the friendships, kindness, and shared moments that bring us together. Just like Grandma Betty's secret pumpkin pie, it's the little things that make life a little sweeter.

Wishing you and your loved ones a Thanksgiving filled with warmth, gratitude, and joy!
