Felician Village

Sponsored by the Felician Sisters

Mission & Heritage Week

October 4th through October 10th we celebrated Mission & Heritage Week, a time to honor the vision of Blessed Mary Angela and the enduring legacy of the Felician Sisters around the world.

The week kicked off with a collection drive benefiting Lakeshore Foster Families & Friends, along with hand blessings and donuts shared by Felician Associates. Throughout the week, meaningful moments and special events brought our community together, including a pet blessing led by a Franciscan friar, Curious Conversations with Chaplain Stephanie, Chili for Change, popcorn treats for staff, and a beautiful Felician Associates Renewal of Commitment Mass in the Blessed Angela Chapel.

It was a week filled with compassion, connection, and opportunities to celebrate the mission and spirit of Felician Village.

Sometimes, nature gives us a beautiful reminder of just how special a place can be

We're so grateful for our residents and their families. You fill our community with countless reasons to be thankful. Wishing you a beautiful Thanksgiving!

Business Office Services

For your convenience, the following services are available through *Reception* at the 1635 S. 21st Street entrance :

- Rent payments
- Stamp purchases

Dolly Day

St. Mary's residents had some extra fun celebrating Dolly Day! Renee, a BIG Dolly Parton fan, shared fun facts about Dolly before Clara, Music Therapist, joined in with keyboard and guitar. Before long, everyone was singing along to "I Will Always Love You." An afternoon filled with a little Dolly magic!

Working Together for Reliable Transportation

With the recent announcement of Assist to Transport's closure, we recognize that residents and families may have questions about transportation options moving forward. Felician Village is aware of the potential impact and is actively working to ensure residents continue to have access to transportation for important medical appointments.

Thanks to generous donor support and our community fundraising efforts, Felician Village is fortunate to have a wheelchair-accessible bus, ADA-accessible van, and SUV for ambulatory riders to help support resident transportation needs. While these were originally intended to supplement community transportation resources, we recognize the importance of having reliable options closer to home.

We are also patiently awaiting the details of the City of Manitowoc's plan to take over paratransit services. Our continued goal is to provide residents and families with greater confidence in knowing that transportation needs are being addressed and that we are working proactively to support access to essential appointments. We will share additional details as plans are finalized with both Felician Village and other community resources, including information about availability and scheduling.

EXPLORING THE BEAUTY AND LOCAL TREASURES OF MANITOWOC, ONE BUS TRIP AT A TIME!

Visit our **Resident Wish Tree** near the front entrance, select an ornament & purchase the gift listed.

Please return all gifts unwrapped by December 7, 2026.

Thank you for helping make the season brighter for our residents!

Felician Village was buzzing with Halloween excitement as local schoolchildren made their way across campus for trick-or-treating. We love these special moments that bring generations together!

In Loving Remembrance
