

# A Smashing Success

The inaugural Mrs. Roper's Romp on April 19, 2024 was a smashing success because of YOU...our sponsors, donors, and attendees who embraced this first-of-a-kind event in Manitowoc County. Recently the first phase of our project, the patio area at The Gardens, began.

The patio will be an aesthetically pleasing area with ample seating and shade and will offer a location for residents, families, and friends to enjoy meals or beverage, attend Felician Village sponsored events, music, and most of all, enjoy a place to gather and socialize with each other.

With your support, the next phase, a redesigned and upgraded space in the WI Room, will begin in 2025.
