Independence with support

Felician Village

The Court at Felician Village is a state-certified Residential Care Apartment Complex (RCAC) in Manitowoc County, assuring residents of the highest quality of care in the area.

■ Caring support

The Court provides a warm, caring environment that feels like home. We offer assistance with many activities of daily living. After a professional assessment, the registered nurse will design a care plan that best suits your requirements.

Should the need arise, assistance with daily activities, including medication administration, dressing, bathing, grooming, eating, and mobility, is also provided.

To help assure optimal health, a full range of therapy services, including physical, occupational and speech therapy is available.

For peace of mind, you will be provided with an emergency response system and caregivers are on-site 24/7. Housekeeping and laundry services are also included.

Please call 920-684-7171, ext. 411, for more information or to schedule a tour.

■ Choice and freedom

Cooking concerns are a thing of the past with a delicious, nutritious lunch and dinner every day. These meals are served by our friendly servers restaurant-style in our private dining room. A hot continental breakfast is also served each morning.

You can choose either a one- or two-bedroom spacious apartment that truly provides all the comforts of home: a living room for relaxing and entertaining, a convenient kitchenette (sink, microwave and refrigerator) for snacks and drinks, and fully handicap-accessible bathroom with a walk-in shower for comfort and safety.

Campus amenities include three restaurants, salon and massage therapy, and an on-site medical clinic provided by Froedtert Holy Family Memorial.

■ Live life to the fullest

As part of the comprehensive Felician Village campus, The Court features a variety of social and recreational activities, such as cooking club, Bingo games, card parties, exercise classes and special social events. For more impromptu get-togethers, friends find the Village Café a great place to meet and enjoy coffee, ice cream or another snack.

You can spend a snowy afternoon e-mailing your grandchildren via our Wi-Fi access or stay in shape by utilizing the fitness room exercise bikes and weights. Our activities are designed to keep your mind, body and spirit active.

Pastoral support for all faiths is a major part of the Felician Sisters' tradition. As a Catholic organization, we continue that custom with daily Mass and weekly services for Lutheran and Protestant faiths.

The help you need, when you need it!
