Congratulations!

Mike Miller was named the 2026 Volunteer of Year at Felician Village!

Over the past year, Mike has contributed more than 200 volunteer hours supporting resident activities, transportation, and special events. He always goes the extra mile to ensure residents can fully participate and feel included.

Mike has built meaningful connections with residents through consistent visits, and he also honored our veterans on Veterans Day by offering a prayer and presenting pins in recognition of their service. His compassion and commitment truly reflect the spirit of Felician Village and make a lasting impact on our community.

A heartfelt thank you to Mike for his outstanding dedication to Felician Village! The award was presented by Luke Schubert, President/CEO and Lauren Daun, Director of Home & Community Based Services.

Perfect weather, delightful drinks and appetizer buffet catered by the FV Culinary Department, lovely music by BellaRain, all while in the company of the finest volunteers. We are so grateful for each one of them that dedicates their time and talents to Felician Village and our residents.
